

Name: Class:

Create double line graphs.

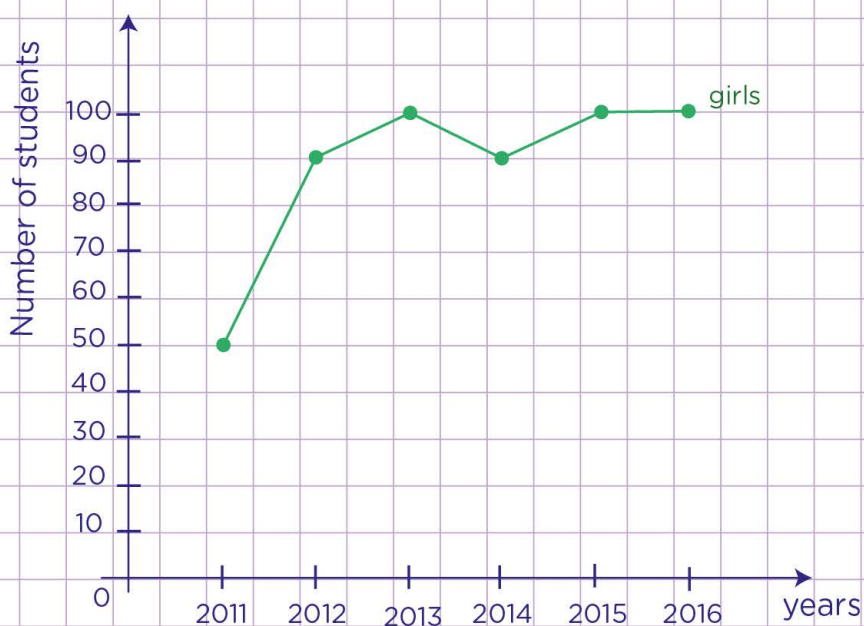

Each year, the Vice principal of Andy's college kept track of the number of boys and girls that attended his college.

Number of boys and girls in college

year	Boys	Girls
2011	90	50
2012	60	90
2013	70	100
2014	40	90
2015	60	100
2016	80	100

Use the data in the table to complete the missing line in the double line graph below.

Number of boys and girls in college
